

Saint Basil Catholic Parish - Altar Server Schedule

February 2012 – May 2012

Greetings from the parish office! Here's your altar server schedule for the coming months. Please ask your parents to mark your schedule on your family calendar! If you cannot serve when scheduled, please try to find a substitute. If this isn't possible, please call the parish office soon.

Thank you all for serving often in this schedule. We will be looking to add *more* servers in the coming months so that we will not ask too much of anyone in future schedules. However, if you would like to serve at additional times when you come to the Liturgy on Saturdays or Sundays, you're most welcome to do so. Come to the sacristy and let the priest and the other server know that you would also like to serve! Extra help is always welcome!

Thanks again for your service. Best wishes for all of the months ahead. God bless!

- Father Jim Torquato
